

The Philatelic Society of Canberra

On Line Sale, October 2020

Following the success of the previous sales, we are having another with some provided lots, and very little of mine. Remember that this is an on-line sale- that is, a sale, not an auction. The following is a list of items and the sale price, first in will get the lot, but see below for bidding window.

Some previous lots are reoffered at reduced prices.

Offers for lots should be emailed to Bruce Parker (Sales Co-ordinator) at:

bruceandjudy.parker@bigpond.com NOT BEFORE 9.00 am on Saturday 24th October 2020,

this will allow those without email time to receive this listing by mail and respond to Bruce's mobile: 0458 221 436 with the same time constraints.

Bruce will advise you as to whether you have been successful on all of some of the items, you will then be required to either direct deposit the total to the Society's general bank account: BSB: 062 900, Account no.: 10289512 - include your name and OLSALE4.

OR to bring correct cash in a small zip-lock bag. (To enable easy vendor payments, CASH is PREFERRED!)

The Treasurer will advise Bruce when deposits have occurred and Bruce will advise you when you can collect them from his home- 60 Windradyne St, NGUNNAWAL -

the usual COVID19 contact restrictions will apply, as well as the need for fine weather.

We can probably get lots to those without transport.

Members who wish to contribute to a further sale should contact Bruce (as above).

Please NOTE ALSO that Bruce has small stocks of hinges, corner mounts and Lighthouse stockbooks at home - same contacts as above (email or mobile).
